

Why My Elf Didn't Move

The Elf on the Shelf has great ideas, but sometimes they just forget to move!

1. Let's help our elves out this year by printing their ready-made excuses (keep them hidden!)
2. Cut their excuses into strips and put them in an envelope.
3. Let your elf know where the excuses are, so they can pick one and hold it or place it on the counter or table.

Silly Elf!

Why My Elf Didn't Move

I am Stuck

I heard someone get out of bed. I was afraid that I would be caught, so I had to stay put!

I saw you misbehave yesterday. I decided not to tell santa, this time, because in this house, we give second chances.

I feel asleep

I heard someone snoring from the couch. Someone must of fallen asleep early last night.

Someone was watching TV when i was going to move. By the time everything was over you woke up.

You woke up to early. You are suppose to be in bed until 7:00am. I don't get home from the North Pole until just before 7 am.

I didnt move? That snack last night made me really sleepy. This spot is comfy.

I thought this spot would make a great hiding space again. I didn't think you would look here again.

Help!!! Something is stuck!!!

I like this spot. I can see everything really well.

I couldn't move becuase you didn't sleep very well last night. Maybe tonight will be better.

It is so dark at night. I try in the morning when i can see better.

Why My Elf Didn't Move

My elf friends came for a visit. I forgot to move.

I Love the pancakes to much to move.

Mom came down stairs to get some water, so I had to stop so i didn't scare her.

I was trying to help clean up and put the glue away, and now i am stuck.

That furry thing kept looking at me.

Im am sorry I didn't move, I was sick last night.

I think I hurt my leg. I need A Doctor
