# Santa Claus

MY DEAR CHILD,

I'm writing this to let you know I got your letter and that you are officially on the NICE LIST. Oh, I love the wishes you made on your list! I spoke to my workshop elves a while ago, and I'm excited for you to see the gifts that I'll be leaving for you this year! I hope you will like them.

You've been making great choices this year. You're kind, generous, and thoughtful to your family and friends. Your parents are so proud of you for being a terrific kid, following the rules, being kind to others, working hard, and being a good listener. Keep it up!

You are an important part of your family and your hard work & kindness are appreciated.

As you know, my reindeer and I will be quite busy on Christmas Eve, which also leaves us very hungry. Could you make us some cookies? I'd love to have a snack at your house while I'm leaving your gifts. You make the best cookies!

Thank you so much!

HO HO HO!
